LAKHIMPUR COMMERCE COLLEGE

(AFFILIATED TO DIBRUGARH UNIVERSITY)

ESTABLISHED 1972

FROM THE PRINCIPAL'S DESK

From Principal's Desk:

LCom News is the mirror of Lakhimpur Commerce College reflecting all the events and functions of the institute inside and outside of the campus. This year has been a remarkable one for the college as it was visited by the NAAC Peer team after a long gap and they reaccredited us with B Grade (total CGPA 2.49). The college has been rejuvenated by NAAC's reaccreditation in a buoyant note.

Secondly the college is celebrating fifty years of its glorious existence since 4th September, 2022 with a continuous programmes, events and functions which includes Golden Jubilee Lecture Series,

cultural and academic programmes. A public meeting was organized for that objective to celebrate the great occasion of the college in this period. These includes organizing a mega reunion of the Alumni Association, two ICSSR sponsored National Seminar on Green Practices and Atma Nirbhar Bharat, a workshop on e-waste management, nutrition testing operation drive in villages, an Edu-Fair for aspiring students, a month long Yoga training programme, signing of a memorandum of understanding between the college and Lakhimpur District Amateur AMUAY Thai Association and many more. The college inaugurated a Women Hostel at the campus college and started construction of a Golden Jubilee Hall during this period as one of the permanent structures to mark the historic occasion.. We are looking forward with great enthusiasm and optimism of the culmination of the Golden Jubilee of the college from 2nd November to 4th November, 2023.

The college developed mechanisms to implement the New Education Policy-2020 during this period involving teachers and office staff with a view to introducing multidisciplinary curriculum in the Four Year Undergraduate Programme prepared by Dibrugarh University. As a part of this historic endeavour towards higher education, the college increased its intake capacity to cater the rising demands of implementation for the colleges of Lakhimpur and Dhemaji districts under PM-USHA. It also organized a training programme on NEP-2020 enrollment in the BCom/BA courses.

I congratulate the editorial team of LCom News and the Bulletin Committee for bring out the latest issue of the bulletin within the stipulated time.

ABOUT THE COLLEGE:

Lakhimpur Commerce College was established on 4th September, 1972 with the objective of imparting value education to provide universal access to quality education. The college is the precursor in imparting commerce education in the District of Lakhimpur, Assam and the Arts Stream was introduced in the year 1993. The college is permanently affiliated to Dibrugarh University, Assam. The college has two campuses - the main campus located in the heart of town and the second campus at Chukulibhoria with an area of approximately 25 Bighas. The college provides various certificates, diplomas, degrees and post graduate courses through three distance modes: The Directorate of Distance and Open Learning, Indira Gandhi National Open University and Krishna Kanta Handique State Open University.

The vision of the college is to contribute directly to transforming India into an equitable and vibrant knowledge society through high quality education to all sections of the society. The college strives to achieve global status in the area of education and leadership by developing knowledge, skills and values of the students. The college develops a deep sense of respect among the students towards fundamental duties and constitutional values of India. The college is forever committed to provide safe and secure environment to the women students and employees free from any kind of gender bias. The endeavor of the college is to produce true global students to make them compatible in the nation as well as globally. The college imparts education with assured employable quality.

VISION

The college is committed to:

- Impart skill based and vocational education to develop self-reliant youth and assure employment guarantee.
- Ensure inclusive and equitable quality education as per Sustainable Development Goal-4 (SDG-4) set up by the government of India.
- Promote lifelong learning opportunities for all sections of students irrespective of caste, creed, sex, religion and socio-economic status.
- Achieve global status in the area of education and leadership by imparting quality education.
- Produce high quality and skilled students who are globally employable in the competitive market.
- Use and develop rich talents and resources of the nation for the benefit of the society, country and world.
- Enable students to have knowledge on fundamental rights, democratic modes, human values and rights, secular ideals and develop in them the qualities of leadership to cope up in the global environment.
- Produce good, efficient, responsible, self-dependent, forward-looking and patriotic youth force/citizens with scientific temper who will contribute to the knowledge economy.
